SECOND REQUEST FOR RECONSIDERATION

Dear Ms. Green:

The PTO issued a Certificate of Correction for the above-referenced patent on November 18, 2003. A copy of the Certificate of Correction is attached hereto as Appendix A.

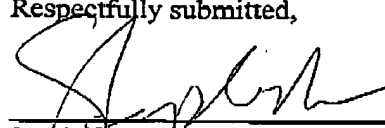

The Certificate of Correction was issued in response to the Request for Reconsideration that we filed, at your request, on October 1, 2003. A copy of that Request for Reconsideration (which included a copy of our original Request for Certificate of Correction filed July 16, 2003) is attached hereto as Appendix B.

You can see from comparing the two documents that the Certificate of Correction in Appendix A does not include all of the requested changes outlined in the original Request for Certificate of Correction attached in Appendix B. Specifically, the PTO has simply omitted "page 1 of 3" from the original Request for Certificate of Correction.

In light of the foregoing, the PTO should rescind the Certificate of Correction in Appendix A and issue a new Certificate of Correction that includes all of the changes outlined in the original Request for Certificate of Correction attached in Appendix B hereto.

Please contact me directly if you have any questions concerning this matter.

Respectfully submitted,

Stephen P. Burr
